

**Dr. Jane Mutune participates in the African Dialogue on The World in 2050 (TWI2050).**

Dr. Jane Mutune, Lecturer, Wangari Maathai Institute during the World in 2050 conference

The World in 2050 (TWI2050) conference was a multi-actor dialogue on agriculture, agro-biodiversity and reaching Agenda 2030 within the planetary boundaries. The conference was held on 28-29th August 2017, Kigali, Rwanda organized by the Sustainable Development Goals Center for Africa in collaboration with Stockholm Resilience Center, Stockholm University and SwedBio.
