Areas of Collaboration

1. Carry out research, experiential learning, training and internship relevant to the work of the institute and the Green Belt Movement
2. Appropriate joint access to identified field, community projects and laboratory space
3. Jointly solicit for funds including donor funds, research grants, contributions, endowments', subscriptions and such related funds for the purpose of realizing any or all the objectives of the institute.
4. Organize and facilitate Faculty and Student exchange programs with third part like-minded institutions locally, regionally and internationally
5. Offer field experiential learning programmes
6. Provide Leadership Fora to promote the values of honest, responsible and accountable leadership in resource management.
7. Networking with organizations and partners to cultivate a culture of mentorship and community service.
8. Support and facilitate public lectures, seminars and exhibitions to further the objectives of this collaboration

The above list is not exhaustive and should not be taken to exclude or replace other forms of cooperation between the parties on other issues of common interest.
