The Wangari Maathai Institute for Peace and Environmental Studies was honoured to have been awarded the best performing, 3<sup>rd</sup> place under the category of Schools/Faculties/Institutes/Centres based on the 2017/2018 performance contract. This award was presented during the University of Nairobi's Inaugural Annual Staff award ceremony held on December 14, 2018 at the University's Taifa Hall. The College of Agriculture and Veterinary Science was also awarded 3<sup>rd</sup> place under the category of College/Campuses.

The Institute is grateful for the recognition and the continued support it continues to enjoy from the University of Nairobi fraternity and also thanks all staff, students and stakeholders who may have contributed to this achievement in one way or the other. WMI looks forth to the continued improvement to enable elevate its standing locally, regionally and globally.
