

Wangari Maathai Institute participates in the ODEL training workshop - August 2, 2018

The ODEL training workshop at the College of Agriculture and Veterinary Science's 8.4.4 Boardroom

In an effort to meet the market demand for the ODEL program; one of the innovative program delivery mode that enables reaching out to a larger number of clients both locally and globally, the Wangari Maathai Institute participated in the ODEL training workshop which took place on August 2, 2018 at the 8.4.4 boardroom. The workshop entailed developing and finalizing the ODEL materials for the Masters and PhD programs respectively. The training was facilitated by the ODEL experts, Dr. L. Wambugu and Dr. A. Mwangi from the Kikuyu Campus.

The participants of the workshop included Prof. N. J. Muthama, Deputy Director WMI, Prof. D.N. Mungai WMI, Dr. J. Moronge, WMI/UoN, Dr. J. K. Muthee, WMI/UoN, Dr. V. Wang'ondu, WMI/UoN, Dr. J. M. Mutune, WMI and Mr. A. N. Abdi, WMI,
