

Wangari Maathai institute hosts 3 year Environmental Health students from Kabianga University-May 10, 2017

Dr. Jane M. Mutune, Lecturer, Wangari Maathai Institute briefing students and Faculty, Kabianga University about the Institute and the walks and works of WMI Founder and Distinguished Chair, Prof. Wangari Maathai.

The Wangari Maathai Institute hosts fifty (50) students from Kabianga University. The third year students who are pursuing Environmental Health program were briefly exposed to the walks and works of Prof. Wangari Maathai by Dr. Jane M. Mutune, Lecturer at the Wangari Maathai Institute and how the Institute is overseeing the continuation of the same.
