

The Wangari Maathai Institute participates in the UoN's Open Day- February 1-3, 2018

Ms. Wamaita Phyllis, MSc. Student, WMI interacting with the High School students

The Wangari Maathai Institute for Peace and Environmental Studies is honoured to have participated in the University of Nairobi's 8th Open day that was officiated by the Prof. P. M. F. Mbithi, the Vice, University of Nairobi. This event was held at the Great Court, Main campus from February 1-3, 2018 under theme, "Tapping into opportunities for knowledge, skills and values." The open day provided an ideal platform for the Institute through which it interacted with the prospective students and the general public who learned about WMI's academic programmes including PhD in Environmental Governance and Management, MSc. in Environmental Governance, the ongoing short course, Environmental Impact Assessment and Environmental Audit and other upcoming short courses including; Environmental Education Management of Medicinal Biodiversity and the Youth Rediscovering Community Indigenous in Management of Indigenous Vegetables.
