

WANGARI MAATHAI INSTITUTE WELCOMES NEW STUDENTS FOR THE 2020/2021 ACADEMIC YEAR

Wangari Maathai Institute (WMI) conducted a virtual orientation for new students on August 31, 2020. The students are drawn from diverse backgrounds and will be pursuing M.Sc. and Ph.D. courses in Environmental Governance and Environmental Governance and Management respectively. In his remarks, Prof. David Mungai, Director WMI, noted that the Institute is unique owing to the experiential learning aspects that have been successfully incorporated into the programs taught. He urged the students to be good ambassadors of the Institute and take advantage of the experienced Faculty from different backgrounds at the Institute. The Institute has adopted various measures including online learning to ensure that learning continues uninterrupted amid the challenges posed by the COVID-19 pandemic.

The Wangari Maathai Institute warmly welcomes the new students and wishes them well in their studies.
